

TRIBAL COURT OF THE CONFEDERATED SALISH & KOOTENAI TRIBES

JUROR INFORMATION

Welcome! The following information is provided to further your understanding of what you can expect when you receive a summons for jury selection and/or when serving as a trial juror. The geographic pool for duty covers the entire Flathead Reservation.

Jury service is both a privilege and civic duty. The right to trial by jury is one of the cornerstones of our tribal government, and jury trials necessarily involve sacrifice from those citizens called upon to serve. This has always been true, but it is especially true during these unique and trying times. It is our personal conviction that jury service is one of the highest forms of public service that any tribal member can perform. The right to trial by jury is an important right under tribal and federal law and ensuring that right is an important aspect of the Tribes' inherent sovereignty. Your assistance is needed by your fellow tribal members, as you would need them should you become involved in a legal problem that could not be resolved otherwise. **THANK YOU FOR YOUR SERVICE!**

1. GUIDELINES

- Contact the Clerk of Court's Office **in writing** with an AFFIDAVIT OF EXCUSAL FROM JURY DUTY if you have an undue hardship that potentially will qualify for excusal from jury duty.
- To reduce the number of people reporting for jury duty (and perhaps relieving you of the duty to report), please complete and timely return the JURY QUESTIONNAIRE which accompanies the summons to report for jury service. The questionnaire seeks information to help shorten the jury selection process. Depending on your responses, you may not have to come to the courthouse.
- Please respond as completely as possible to the best of your ability. Failure to disclose any of the requested information can impact the right to a fair trial. Your answers must be truthful; a false or misleading answer may subject you to perjury.
- Finally, please refrain from conducting any research on this case, whether by scanning media accounts, searching the Internet, or searching through social media (Facebook, Twitter, Instagram, etc.) Media and Internet accounts can be faulty, incomplete, or biased. You may be asked if you have conducted any independent research during the jury selection process.

2. PAY & MILEAGE REIMBURSEMENT

- \$50.00 per day when selected as a juror
